Onderwerp: such an extremely pleasant surprise

Bericht inhoud:

Dear Lidwien,

It was such an pleasant surprise to see Yemen being represented at the biennale by your small but beautiful pavilion. It reminded me of my visits to Sana'a and Shibam. Cities and people I'll never forget! Thank you so much for sharing Yemen, it's people, it's splendid architecture and it's current struggles with the biennale visitors.

yours sincerely,

Farid Tabarki
